

# Convocation Ferrum Vetus Team Event

## Barendrecht, November 12, 2023

**Organisation:** Fencing Academy Zair Rotterdam i.c.w. Veterans Commission KNAS

---

This tournament is the second team tournament to be held under the Ferrum Vetus flag.

### Limitations:

- A maximum of 18 teams can register for epee
- A maximum of 8 teams can register for foil
- A maximum of 8 teams can register for sabre
- To be able to fence a meaningful team competition, a minimum of 4 teams is necessary

The aim of this tournament is to fence as much as possible in a relaxed atmosphere. Each team consists of a minimum of 3 fencers and a maximum of 1 reserve (veteran/senior). Once check-in time has expired, teams can no longer change their line-up.

The Swiss system is used on every weapon, which is also used in chess. After the first round (random seeding), the winners of the first meeting fence against each other and the losers also fence against each other. After 4 or 5 rounds the winner will be announced.

### Subscription:

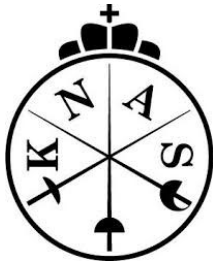

All participants must register individually via Nahouw. Team captains are further requested to inform us of the participants on their team by email ([FV@KNAS.nl](mailto:FV@KNAS.nl)).

Individual entrants are combined into teams by the competition management.

For the match to take place on a weapon, a minimum of four teams are required. With fewer than four teams, that weapon is not used. The registration fees will then be reimbursed by the KNAS. The Ferrum Vetus organization coordinates this with the KNAS.

### Fee:

Fees are calculated per individual participant: €20.00
